

VANTEK DYNAMICS, INC.

Employee Exit Interview Form

Employee Name: Marcus D. Ostrow
Employee ID: VD-04471
Position: Senior Firmware Engineer, Actuator Systems
Home Address: 4417 Willowmere Lane, Denton, TX 76201
Personal Phone: (940) 555-0148
Emergency Contact: Sam Ostrow (Spouse) - (940) 555-0149, same address
Last Day of Employment: May 16, 2025
Interviewer: Linda Okonkwo-Reyes, Director of HR
Interview Date: May 9, 2025

Reason for Leaving:

"New opportunity better aligned with my career goals." Declined to name new employer.

Data Handling / Confidentiality Discussion:

Employee was reminded of ongoing confidentiality and invention assignment obligations under his signed NDA. When asked general questions about his access to and handling of technical data, employee stated: "I only ever touched the marketing-facing specs, I never had access to the core control algorithms - that was Priya's call to keep tight." Employee appeared calm and did not request to revise this statement.

Company Property Returned:

Laptop (Asset #VD-4471) - Returned. Mobile phone (Asset #VD-4472) - Returned. Badge - Returned. No personal devices inspected.
